Submitted to His Highness.

20 It has been the usual practice in Mysore to grant certificates to persons who have rendered public service in cases where the services rendered are not such as to merit the grant of public service medals in open Durbar. Certificates signed by the Dewan are accordingly being awarded to persons who have made contributions between Rs.1,000/- and Rs.5,000/- or have rendered work of a similar character, while donors of smaller amounts are given certificates signed by the Deputy Commissioners.

21 I am of opinion that the object with which these certificates are issued is likely to be frustrated by issuing too large a number of them. The number of persons recommended by the Deputy Commissioners for the grant of such certificates has been on the increase during the last few years. I consider that we may discontinue the grant of certificates signed by the Deputy Commissioners so as to minimise the number awarded in any one year. In the case of certificates awarded over the signature of the Dewan, a careful selection will be made so as to limit the number. Such a procedure will enhance the value of these certificates.

Flag A.

22. The Ministers, who were consulted in the matter, agree to this proposal. It is accordingly proposed to adopt this procedure in connection with the award of certificates during this year. A list of persons to whom certificates signed by the Dewan is proposed to be awarded is herewith submitted. I solicit the gracious sanction of His Highness to the proposal to discontinue in future the grant of certificates signed by the Deputy Commissioners and also to the appended list of persons to whom certificates over the signature of the Dewan are proposed to be issued during this year.

			599 This gentleman has been very generous in his donations. His charities amounting to - nearly Rs.40,000/- are not confined to any one kind or place. There is likelihood of his further contributions towards an Operation Theatre at Davangere. It is no exaggeration if it is said that his good - lead was responsible for the flow of several donations from the merchants of Davangere. Above all his liberal views and simple living amply qualify him for the award of a suitable title.
